Python Software Foundation

So, What the PSF is

The mission of the Python Software Foundation is to promote, protect, and advance the Python programming language, and to support and facilitate the growth of a diverse and international community of Python programmers.

-- PSF Mission Statement

Then, What does the PSF do

PSF do

- Protect the Intellectual Property Rights behind Python
- In charge of producing PyCon US
- Funds conferences and development sprints

The Giving Tree

life of an apple tree and a boy

The boy...

- Enjoys playing with the tree
- Climbing her trunk
- Swinging from her branches
- Eating her apples

The boy...

- Pick and sell her apples
- Cut her branches to build a house
- Cut her trunk to make a boat
- Leaving only a stump
